

SpillZORBE
Commercial Grade

Product Applications :

- Workshops, garages, yards, roads
- Cooking oil
- Paint/inks
- Bitumen
- Mild acids
- Fuels/oils
- Commercial garbage and waste bins
- Industrial—can be used on a range of chemicals and is ideal for ammonia spills

SpillZorbe

- All natural heat sterilised mineral – contains no chemicals
- Exceeds EPA landfill tests
- Absorbs immediately on contact
- Super absorbent capacity
- Maintains strength integrity when fully absorbed, reduces slippage and makes clean-up easy
- Particle size gradation designed to maximise absorption efficiency
- De-dusted to reduce surface bogging and improves handling
